Much like any contemporary business, Sysin's staff operates in unison under three distinct teams.

Tech Support

R&D

Sales & Marketing

OUR Services as follows:

Cloud Solutions

- Migration and Modernization with Azure
- Virtual Machines (VMs) on Cloud
- Azure Site Recovery
- Azure Backup
- Self Managed Database
- Enterprise Mobility + Security (EMS)
- End to End Microsoft Azure Migration Services
- Infrastructure Migration
- Azure Cloud Monitoring & Reporting
- Plan, Deploy and monitor the AWS cloud infrastructure
- Build and configure the production systems

Virtualization & Hyperconvergence

- VMWare Virtualization: vSphere
- VMWare Storage and Availability: vSAN and Site Recovery Manager
- Infrastructure Virtualization, Desktop Virtualization and Network Virtualization
- Design, Deploy and Maintaining of VMWare Infrastructure
- Design, Deploy and Maintaining of Nutanix Multi Cloud Infrastructure
- Nutanix Cluster Configuration and Management
- Monitoring and troubleshooting – Prism Pro
- Nutanix Hypervisor Integration with VMWare ESXi
- Plan, Design and Deployment of Microsoft HyperV Infrastructure

Cyber Security Solutions

- Cybersecurity & Compliance Solutions
- Threat Hunting Solutions
- EDR & XDR Solutions
- Network Security and Cloud Security
- Backup & Disaster Recovery Solutions
- Digital Forensics
- Secure Collaboration Solutions
- Incident Response & Risk Assessments
- 24/7 Secure Monitoring
- Advanced Penetration Testing

End to End Networking Solutions

- Infrastructure consultancy and design
- Installation and configuration of core and access switches and routers
- Supply and Deployment of Servers and Enclosures
- Advanced configuration services (QoS, HA, load balancing, link aggregation, etc.)
- Wireless network design, installation and configuration
- Wireless Point-to-Point link installation and configuration
- System upgradation and expansion
- WAN connectivity over leased line, ADSL, MPLS, IP/VPN, Wireless, VPN over Broadband and VSAT
- Internet links planning, supply and installation
- Server Virtualization
- IT Auditing and Reporting
- Network management & Performance Tuning

Microsoft Server Solutions

- Microsoft Windows Infrastructure Consultancy
- Installation, Configuration and Migration of Windows Servers.
- Planning, Designing and Implementation of Active Directory
- Planning and Configuration of Group Policies
- File and Print Server Configuration
- Active Directory System Upgradation & Migration
- Infrastructure Service Configuration (DNS, DHCP and WINS)
- Exchange Server Installation, Configuration, Upgradation and Migration
- Redundancy and High Availability Solution for Exchange Servers/AD
- Troubleshooting and Maintenance of AD and Exchange
- WSUS Installation and Configuration
- Public Digital Certificate Supply, Installation and Configuration
- Threat Management Gateway (TMG) Installation and Configuration
- Microsoft High Availability Solutions for SQL Servers
- Microsoft Server Clustering & Load Balancing
- Microsoft Hyper-V Solutions
- Microsoft Licenses

UTM/Firewall Solutions

- Supply and Deployment of UTM/Firewall Devices
- Application Visibility & Control
- Intrusion Prevention System
- VPN (SSL VPN & IPsec)
- Web Filtering
- On-Appliance Reporting
- Bandwidth Management /QoS
- Web Application Firewall
- Flexi Ports (XP)
- IPv6 Ready
- 3G / 4G / WiMAX Connectivity
- Multiple Link Management
- Anti-Virus & Anti-Spyware
- Anti-Spam
- Outbound Spam Protection
- SD-WAN

Endpoint Security Solutions

- Advanced memory scanner
- Data Access Control
- Built-in diagnostic and recovery tools
- Antimalware protection
- Anti-Phishing
- Antispam
- Host Intrusion Prevention Systems (HIPS)
- Central Management Console
- Email Alerts

Call Center Solutions

AVAYA 3CX beroNet cisco Meraki Fanvil ooredoo  stc

- Design & Deployment of Call Center Infrastructure
- IP Phones, SIP Trunk, Voice Routers, Switches and Gateways
- MPLS/IPVPN/SD-WAN Connectivity
- Integrated Video Conferencing
- Call Recording
- Monitoring and Reporting
- Soft Phones
- Multi Branch Access
- Central Management Console
- Email Alerts

Structured Cabling Solutions

 COMMSCOPE  **NORDEN**  **PANDUIT**

- Complete Modular Cabling Solutions
- Patch Panels and Outlets
- Face Plates and Accessories
- Fiber Optic Cabling and Accessories
- Server Racks
- Server Console
- KVM Switches and Accessories

Storage & Disaster Recovery Solutions

 **NetApp**  **VERITAS**  **VEEAM**

- Complete Range of Modern Data Protection Solutions
- Storage Optimization, Cloud Acceleration, Backup Modernization
- Disaster recovery Orchestration
- Intelligent Data Management and Migration
- NetApp On-Premise Storage Solutions
- NetApp Business Continuity & Disaster Recovery

Servers, Storage and Accessories

- Rack and Blade Servers
- Storage Servers and NAS
- RAID Controllers and Batteries
- Tower Servers
- Server RAM and Boards
- Server Hard Drives and Power Supply
- Data Management and Protection Solutions

Email Solutions

- Enterprise Email Service for Business - MS Exchange Email
- Exchange Server Migrations
- Exchange Anywhere
- Microsoft 365 Dedicated Team
- 24x7 365 Support
- Google Enterprise Collaboration
- Deployment Planning

Surveillance Solutions

- Multi Branch Attendance Solutions
- Access Control Deployment
- IP CCTV Solutions
- Payroll Management
- RFID Solutions
- GPS Trackers
- Video Conferencing Solutions

Digital Certificates

- Supply and Installation of Digital Certificates
- Certificate Management and Integration
- Private and Managed PKI

Linux Solutions

- Linux/Unix Infrastructure Solutions
- Redhat Virtualization Solutions
- Mail Server Solutions
- Firewall Deployment
- File and Print Servers

Desktop Systems, Printers and Projectors

- All Branded Systems
- Printers, Scanners and Copier
- Projectors and Accessories
- System Components

Wireless and VPN Infrastructure

- Wireless Enterprise Access Points
- Point to Point Wireless Solutions
- Internet Billing Devices
- IP/VPN, MPLS Infrastructure Solutions
- Campus WiFi Solutions
- WiFi Hotspot

Server/Storage Spares (OEM)

- Spares for all OEM (HP, IBM, Dell, SUN-Oracle, HITACHI, EMC, NetApps, Cisco, Juniper, Overland, Avaya, Alcatel-Lucent and other known products)
- Full Support (Spare + Skill + L3 Support)
- We are expertise in HW maintenance includes all Enterprise products like Server, Storage, Backup devices and Networking (Data Centre Equipment's)
- Largest Inventory

Our Infrastructure Consulting Services

- IT Infrastructure Strategy Services
- IT Infrastructure Design and Consultancy
- Data Center Protection Services
- IT Infrastructure Migration
- Infrastructure Consolidation
- High Availability and Business Continuity Services
- Network Security Auditing
- Deployment and Integration
- 24/7 Support Services (Voice/Tickets/Email/Onsite/Remote)
- AMC Services
- Experienced and Qualified Technical Engineers
- Supportive Backend Teams
- All Software Licenses and GAP Analysis
- Partnered With All Leading Vendors
